

# “RUN TO THE EAST” FILM SCREENING

Thursday, March 1, 2012

5:30PM – 8:00PM

Domenici Center Auditorium UNM HSC Campus

RUN TO THE EAST tracks three high school seniors and Wings of America participants: Chantel “Tails” Hunt (Navajo), Thomas Martinez (Navajo) and Dillon Shiye (Zia Pueblo) high school seniors competing in national track meets and vying for college scholarships. The film was inspired by a 2008 The New York Times article about Navajo youth runners overcoming the poor health conditions that afflict a disproportionate number of residents on the 27,000-acre Navajo reservation. Their story is uplifting and an inspiration for change.
