

The **Bears Ears Prayer Run Alliance** is focused on uniting Tribes of the southwest around their ancestral ties to the land. Through the sacred act of running, we intend to promote healing and prayer for the sacred sites in and around The Bears Ears.

Runners will converge March 12th-15th, 2018 from various Tribal homelands. All communities ready to run in prayer are welcome. Camping gear is required. Be prepared to run and camp out in incliment weather.

UPDATE 3/15

Campsite Location: White Rock, UT (baseball field north of housing) **March 16 & 17 only**

This is not an occupation. The land will only sustain a brief encampment.
